

Staff Dentist Opportunity

Seeking Candidate for Practice
in Wessington Springs, SD

Wessington Springs, SD

Wessington Springs is a family-centered, rural community that is made up of 1,000 residents and has a service area population of approximately 9,000.

Offering innovative educational opportunities and a wealth of extracurricular activities, Wessington Springs has a progressive public schools system focused on inspiring students to achieve their highest potential. Host to many cultural events and community activities, Wessington Springs has seven churches, an airport, a beautiful city park, swimming pool, nine-hole golf course, amateur baseball team and a wellness center. Wessington Springs is surrounded by acres of wildlife habitat and recreation waters. Residents and visitors can experience outdoor adventure at its best through hunting, fishing, hiking, and water sports on the nearby Missouri River.

HORIZON

Health Care

Keeping communities well

For over 40 years, Horizon Health Care has been providing rural communities with access to high-quality, affordable medical, dental and mental health care through a community-based network in South Dakota. Horizon is a Federally Qualified Health Center (FQHC) that serves medically underserved areas through 110,000 patient visits annually in 32 community health centers across South Dakota.

Horizon Health Care offers an excellent benefit package including health, dental, vision, disability and life insurance, vacation and sick leave, plus a retirement plan!

Generous Loan Repayment Options Available
